

# Primary Care and Specialist Providers

## Access to Care Standards

Members have the right to receive timely access to care and services from their provider. Per DMHC requirements, providers are to ensure members proper availability within a specific number of days or hours for ...

 **EMERGENCY EXAM**

If your patient is having a medical emergency, you should instruct them to go to the emergency room or have them call 911. If the issue is not life threatening, you should provide medical advice over the phone and schedule an appointment as shown below. (Only licensed staff with appropriate training should provide telephone assessments.)

 **APPOINTMENT AVAILABILITY STANDARDS**

Type of Appointment:	Offer the Appointment within:
Primary Care Provider – Non-Urgent Appointment	Within <b>10 business days</b> of request
Specialist Providers – Non-Urgent Appointment	Within <b>15 business days</b> of request
Urgent appointments that <u>do not</u> require prior authorization	<b>48 hours</b> of request
Urgent appointments that <u>require</u> prior authorization	<b>96 hours</b> of request
Non-Urgent appointments for Ancillary services	<b>15 business days</b> of request
Non-Urgent appointments with a non-physician mental health care provider	<b>10 business days</b> of request

## AFTER HOURS ACCESS REQUIREMENTS

Primary Care Providers must be available by telephone 24 hours per day/7 days per week.

\*If the primary care provider is not available on-call, there should be another provider or nurse triage available.

## ANSWERING MACHINE RECORDING MUST PROVIDE THE FOLLOWING:

“ If this is an emergency, please hang up and dial 911 immediately or go to the nearest emergency room ”

“ Hello, you have reached the (Name of doctor/Office or Clinic Name). If you wish to speak to with the provider on-call, ...”

### Select one of the following options to complete recording:

a) Please hold and you will be directly connected to the provider on call.

b) You may reach the on-call provider directly by calling (provide number).

c) Please call (provide number). The on-call provider will be paged and you may expect a return call within the next 30 minutes. If you do not hear from the provider within 30 minutes, please go to your nearest Emergency Room.

d) Our Urgent Care Center is located at (give address and phone number).

## AFTER HOURS ANSWERING SERVICE SAMPLE SCRIPT:

Calls answered by a live voice – answering service or centralized triage

If the caller believes the situation is urgent, advise the caller to hang up and dial 911 immediately or proceed to the nearest Emergency Room.

If the member indicates a need to speak with a provider

a) Place the caller on hold and then connect them to the on-call provider, or page the provider and let the caller know the provider has been paged and he/she will return call within the next 30 minutes.

b) Ask the member for their call back information and advise a provider will call them back within the next 30 minutes.

OR

c) If a member indicated a need for interpreter services, facilitate the contact by accessing interpreter services. You can find interpreter information at [www.medpointmanagement.com/download-category/culture-linguistic-information/](http://www.medpointmanagement.com/download-category/culture-linguistic-information/).
